The diagram shows a top-down view of a vehicle's undercarriage or chassis. It features several structural elements labeled with codes: 'U1' at the front center, 'W2' on both sides, 'A1' and 'U1' on the right side, 'W2' on the left side, 'T' at the rear right corner, and 'A' and 'U2' at the rear center. Four dimensions are marked with '[4] mm': two at the front corners and two at the rear corners.
