

ORIGINAL JAPANESE AUCTION SHEET

Technical drawing of a car chassis from the top view. The drawing shows the engine, transmission, and rear axle assembly. Key components and labels include:

- Engine and Transmission:** Located at the front (top) of the chassis. The engine is labeled with a circled '7' and the letter 'A'. The transmission is labeled with a circled '8' and the letter 'A'.
- Rear Axle Assembly:** Located at the rear (bottom) of the chassis. It includes the rear axle, rear suspension, and rear wheels. The rear axle is labeled with a circled '2' and the text 'スベア' (Svea). The rear suspension is labeled with a circled '3' and the text '小スベア' (Kosvea).
- Dimensions and Markings:**
 - A horizontal dimension line labeled 'A' is shown on the left side of the chassis.
 - A vertical dimension line labeled 'A' is shown on the right side of the chassis.
 - A horizontal dimension line labeled 'A' is shown at the bottom of the chassis.
 - A vertical dimension line labeled 'A' is shown at the top of the chassis.
 - A horizontal dimension line labeled 'A' is shown on the left side of the chassis, near the rear axle.
 - A vertical dimension line labeled 'A' is shown on the right side of the chassis, near the rear axle.
 - A horizontal dimension line labeled 'A' is shown at the bottom of the chassis, near the rear axle.
 - A vertical dimension line labeled 'A' is shown at the top of the chassis, near the rear axle.
