

ORIGINAL JAPANESE AUCTION SHEET

A top-down diagram of a vehicle layout. The layout is symmetrical. At the top, there are two small rectangular areas labeled A2 (left) and A1 (right). Below these is a large central rectangular area labeled A1. To the left of the center, there is a vertical strip containing two rectangular areas labeled B2 (top) and B2 (bottom). To the right of the center, there is a vertical strip containing two rectangular areas labeled A2 (top) and B1 (bottom). Below the central A1 area is a large rectangular area labeled G. Below G is a large rectangular area labeled XX. At the bottom, there are two small rectangular areas labeled U1 (left) and U1 (right). A dashed circle is shown to the right of the layout, with a label '3x7' next to it.
