

ORIGINAL JAPANESE AUCTION SHEET

A top-down schematic diagram of a vehicle. The vehicle is represented by a central horizontal rectangle with rounded ends. On the left side, there are two circular sensor locations labeled 'A1' (top) and 'AU1' (bottom). On the right side, there are two circular sensor locations labeled 'AU2' (top) and 'AU2' (bottom). A dashed line runs vertically down the center of the vehicle. To the right of the vehicle, there is a small circle with a dashed outline and the text '3.4m' next to it.
