

ORIGINAL JAPANESE AUCTION SHEET

注意事項・不具合箇所

検査員記入欄：修復歴「有」の場合は修復箇所、交換箇所を記入

The diagram shows a top-down view of a vehicle's front end. It includes four wheels and various structural components. Measurement points are labeled as follows:

- A1: Located at the outer corners of the front fenders.
- A2: Located at the inner corners of the front fenders, near the wheel arches.
- U1: Located at the bottom center of the front bumper area.
- U2: Located at the top center of the front cross-member area.

Dimensions are indicated by brackets and arrows:

- [mm] indicates the width between the two A1 points.
- [mm] indicates the width between the two A2 points.
- [mm] indicates the distance from the centerline to the A1 point.
- [mm] indicates the distance from the centerline to the A2 point.
- [mm] indicates the height from the ground to the U1 point.
- [mm] indicates the height from the ground to the U2 point.
